

# **Risk & Audit Manager Cover Letter**

723 Laureen CommonLake Kimberly, NM 12184-7815

**Dear River Gislason,**

In response to your job posting for risk & audit manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for a leadership role during state and federal regulatory audits and may be involved in the follow up and verification of corrective audit findings.

My experience is an excellent fit for the list of requirements in this job:

- Experience of working within, or with, the Internal Audit department of a large corporate organisation or a Big4 company
- Experience managing internal audit and/or controls engagements, leading Audit teams and reporting to business management with a strong advisory mind-set
- Report writing, presentation and interpersonal skills including good written and verbal communications skills in English with German language as a strong asset
- Strong proficiency in auditing standards and principles
- Strong knowledge of bank regulatory issues, rules and regulations at the Federal, State and local levels, and experience with such agencies
- Knowledge of fraud prevention and detection
- Excellent project management, communication and documentation skills
- A thorough understanding of internal audit and risk management

**Thank you for your time and consideration.**

Sincerely,

Dallas Olson
