

Risk & Compliance Manager Cover Letter

58909 Courtney CampNew Werner, NE 74687

Dear Tatum Smith,

I would like to submit my application for the risk & compliance manager opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for consulting services to business leaders on best practices on configuration issues balancing the system capabilities and business requirements;

Please consider my experience and qualifications for this position:

- Actively manage and monitor incidents (includes - root cause analysis, action plan/rectification, preparing breach letters for regulators etc)
- Work with group compliance and Line 2 (ERM) teams to ensure that all relevant regulatory obligations (SIS Act, Corps Act etc) that SRI needs to comply with have been identified and that correct controls have been aligned to each obligation, and
- Be a 1st line risk partner on strategic projects / initiatives
- Excellent experience in Risk and Control identification and assessment (including process mapping, risk profiling, control testing etc)
- Strong communication (verbal and written) and interrelationship skills
- Able and willing to travel to various Carters office locations as necessary
- Understanding of blending plant operation and processes
- Committed to quality, willingness to challenge current practice and innovate, continuous improvement mindset

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Denver Fahey
