

Risk Reporting Analyst Cover Letter

9066 Daron Square West Vernell, IA 96816

Dear Onyx Stanton,

I am excited to be applying for the position of risk reporting analyst. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for technical financial & insurance risk advice and expertise to the CROs, risk teams and broader business units.

Please consider my qualifications and experience:

- Consolidation and analysis of BIA data
- Preparation of the IT Disaster Recovery exercises
- Sending the survey and reminders
- Analyzing the answers
- Reporting on the process
- Investment banking experience and knowledge of BCM domain
- Advanced understanding of MS applications with focus on data analysis and reporting
- Energetic & mature

Thank you for your time and consideration.

Sincerely,

Indigo Rau
