

Risk Reporting Analyst Cover Letter

147 Zemlak CornersEast Feltonhaven, TN 51895

Dear Azariah Kreiger,

I am excited to be applying for the position of risk reporting analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for strategic direction and guidance to team to protect organization by fully evaluating financial, operational, market and credit risk.

My experience is an excellent fit for the list of requirements in this job:

- Work closely with regional team members and key stakeholders to build and maintain a consistent global Risk Reporting framework
- Experience and awareness of financial risk management techniques and methodologies, particularly Basel 2 and 3 methodologies (EEPE, PD, LGD)
- Strong PC skills including Excel, Access, Peoplesoft Financials, and Essbase comfort with manipulation and presentation of financial data Team player, proactive, self-starter, who can be dynamic and implement process change
- Have a good working knowledge of the financial services industry and familiarity with financial regulation
- Have strong experience in a risk, controls or quality assurance discipline
- Have an awareness of Enterprise Risk Management and different types of risk
- Have excellent problem solving and root cause analysis skills
- Be passionate about building a career in risk management

Thank you for considering me to become a member of your team.

Sincerely,

Rory Stehr
