

Risk Reporting Analyst Cover Letter

4675 Marquis Circle Davisfort, WV 51654

Dear Ryan Kerluke,

In response to your job posting for risk reporting analyst, I am including this letter and my resume for your review.

In the previous role, I was responsible for analytical and administrative support to the Control Officer to record/report risk events, including financial and non financial losses.

Please consider my experience and qualifications for this position:

- Knowledge of basic SQL or other database query languages
- Knowledge of basic data structures
- Understands technical terminology and infrastructure designs
- Proficiency in advanced Excel, R Analytics or other data analytics tools
- Security-focused certification(s)
- Knowledge of programming language such as SAS EG/BASE and Microsoft Office Visual Basic For Applications will be advantageous
- Support the development of the Regional Risk DWH Platform
- Support the development of the Regional Tableau Dashboards

Thank you for considering me to become a member of your team.

Sincerely,

Landry Koch
