

# Risk Reporting Analyst Cover Letter

919 Josphine PointPort Silas, NM 54493-7579

**Dear Morgan Shanahan,**

Please consider me for the risk reporting analyst opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical leadership for key components like the in-house built Calculators, Country Risk / Market Risk pre-dac processors, Market Risk Process Flow Control.

Please consider my experience and qualifications for this position:

- Be able to lead meetings, solve problems and reach agreements among different stakeholders
- Facilitate the transfer of the production of all Market Risk Reporting into RFDAR as per the target operating model
- Facilitate the transfer of the report preparation work into the Mumbai Report Preparation Team
- Improve the existing SLA for report delivery to meet the APAC T+1 monitoring target
- Provide agile prototyping of risk reporting for the CRO division
- Analyze data through the use of advanced MS Excel functions
- Effectively create and present PowerPoint presentations
- Provide statistical analysis to identify trends

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Finley Adams
