

# Risk Reporting Analyst Cover Letter

2263 Jerde ShoalWest Ali, ID 22750

**Dear Denver Koch,**

I am excited to be applying for the position of risk reporting analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for financial analysis for new areas/new business models, whilst providing financial insight, risk assessment and trusted advice.

My experience is an excellent fit for the list of requirements in this job:

- Familiarity with economic capital concepts, Basel II, and loan accounting requirements desirable
- Collaborate with Portfolio, Risk, and Product Management teams to design, test, and support risk and performance related systems
- Help define project objectives, scope, timelines, and success criteria
- Assist with the coordination of user acceptance testing (UAT) and software releases
- Write User Stories in JIRA with well-defined acceptance criteria
- JQL, SQL or PL/SQL background preferred
- A highly organized individual
- Understanding of Project Management tools such as JIRA, Pivotal, or MS Project

**Thank you for taking your time to review my application.**

Sincerely,

Shae D'Amore
