

# RN Center Cover Letter

97154 Dickinson Tunnel North Eugenaside, WY 92482-7052

**Dear Sutton Hackett,**

In response to your job posting for RN center, I am including this letter and my resume for your review.

In my previous role, I was responsible for patient ASC preparation information, advice and health care teaching to patients and their families in person or via telephone as part of the ASC pre-admitting process.

Please consider my experience and qualifications for this position:

- Critical Care/ Emergency Department experience strongly recommended and preferred
- Previous procedural sedation experience strongly preferred
- Excellent written, verbal, strong inbound and outbound telephonic and interpersonal communication skills
- Superior nursing process, critical thinking and problem solving skills
- Works effectively with minimum supervision and as a member of a team
- Current BLS-C (AHA) & NRP cards
- Chemo provider card highly preferred
- Tier 1- 6 months recent inpatient oncology experience, chemotherapy experience preferred

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Story Schoen
