

Rolling Stock Cover Letter

157 Laverne Squares New Carmelo, MS 15478-2156

Dear Azariah Shields,

I would like to submit my application for the rolling stock opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical advice on Rolling Stock and Depot Equipment matters, procure and manage external specialist resource as required.

Please consider my experience and qualifications for this position:

- OProfessional Engineering Status (or equivalent) will be beneficial
- Exposure to EN50126 & EN50129
- Experience in the use of Catia software would be advantageous
- Knowledge and experience troubleshooting and repairing diesel, gasoline, and propane engines, including fuel injection systems, turbos
- Knowledge and experience troubleshooting and repairing transmissions and drive trains
- Knowledge and experience in troubleshooting and repairing hydraulic systems
- Knowledge and experience in troubleshooting and repairing A/C systems
- Experience in the lifecycle of rolling stock procurement / delivery

Thank you for considering me to become a member of your team.

Sincerely,

Tatum Anderson
