

Rolling Stock Cover Letter

61253 Darron Tunnel West Martland, WV 20758-6982

Dear Azariah Jacobson,

Please consider me for the rolling stock opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for rolling Stock Assurance expertise and advice to Ricardo Rail's customers on good engineering practice, potential solutions, railway standards.

Please consider my qualifications and experience:

- Experience with more than one form of traction package / stock type desirable
- Strong communication skills including writing comments, and managing stakeholder/customer relations
- Strong technical understanding of traction and rolling stock
- Understanding of TSA contracts
- Minimum HNC or equivalent vocational engineering experience
- Good leadership skills and able to build relationships with internal and external stakeholders
- Intermediate IT skills – typically Word, Excel, SAP
- Previous experience of using Genius, Bugle, Trust, P2, is desirable but not essential

I really appreciate you taking the time to review my application for the position of rolling stock.

Sincerely,

Azariah Jerde
