

Rolling Stock Cover Letter

551 Klara PrairieTillmanville, HI 35299

Dear Emerson Pfeffer,

I would like to submit my application for the rolling stock opening. Please accept this letter and the attached resume.

Previously, I was responsible for expertise and specifications as required in support of the definition of rolling stock servicing, operations and maintenance facilities, processes and procedures.

My experience is an excellent fit for the list of requirements in this job:

- Previous experience of working in delay attribution is desirable but not essential
- Accountable for the complete bidding process of turnkey and PPP bids, from ITT / RFQ, RFP, BAFO, and negotiations to NTP handover with project team
- Structured, independent and hands on working approach
- An enthusiasm and interest in our products and engineering is highly desirable
- Fluent in English essential with further languages highly desirable
- Solid experience with rolling stock components traction power units, doors, breaks, HVAC and bogies
- Travel on the ScotRail network as directed by HRE Maintenance Controller/CPC in order to
- Use engineering processes, tools and techniques to provide assurance HRE assets comply

Thank you for your time and consideration.

Sincerely,

Quinn Cremin
