

Room Manager Cover Letter

466 Anibal Coves South Margert, OH 07797-4829

Dear Peyton Orn,

In response to your job posting for room manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for insight and recommendations for brand planning as well as providing ongoing guidance on how to improve customer service delivery and food quality.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Available for on-call coverage during evenings, weekends, and holidays
- Experience working with SPC tracking, AS400, SortView, and/or ISS
- The individual we seek will be an innovative and strategic thinker with excellent communication, customer service, leadership and organizational skills
- Excellent leadership, communication, interpersonal, problem solving and decision making skills
- Knowledge of regulatory standards, AORN guidelines, health care environment and trends, demonstration of leadership and empowerment principles and budgeting and fiscal control
- Strong leadership, management, organisational and communication skills with management experience in international 5 star environment or similar restaurant environment, sales & marketing competencies a major asset
- An appreciation of and passion for food products, dishes and the preparation methods, wines and other beverage products Micros or other similar POS system knowledge is taken into consideration
- Proven experience of working in a team in a flow room environment in an automated distribution centre within a fast-moving e-commerce and retail environment

Sincerely,

Bellamy Lesch
