

Room Service Server Cover Letter

12956 Sporer SummitCasperfurt, OK 60844

Dear Sam Johnson,

I submit this application to express my sincere interest in the room service server position.

Previously, I was responsible for information on daily specials and take orders.

Please consider my qualifications and experience:

- Working knowledge of all restaurant functions and tableside service
- Be both an independent worker and a team player
- Basic knowledge of the English language sufficient to understand inquiries from customers and communicate preparation methods
- Omprehensive knowledge of food, wine, and cocktails
- Pick up the table after the use by the guests or as per guest's request
- Excellent personal presentation & attention to detail
- Answers telephone using courteous, efficient telephone etiquette while obtaining all information necessary to process the guest's order, describes the selection of food & beverage menu items to guests by offering interesting, and vivid descriptions of the each item's, origin, taste, and preparation methods
- Check Room Service for proper set up

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rowan Bradtke
