

# **Safety & Health Manager Cover Letter**

10688 Fisher KnollsPredovicfort, FL 01707-2113

**Dear Campbell Kuhn,**

Please consider me for the safety & health manager opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for oversight of all Southern Company Operations bulletins, policies, and procedures for their impact on employee safety and compliance.

My experience is an excellent fit for the list of requirements in this job:

- Advanced knowledge of Excel and MS suite of software
- Industrial hygiene experience would be an asset
- Strong knowledge of International Safety and Environmental Standards
- Knowledge of Argentina health, safety and environmental regulations
- Preferred certification in safety management
- Strong communication and influencing skills that can be displayed at all levels of the organization
- Subject matter expertise in federal, state and local occupational health & safety regulations
- Experience in safety program and/compliance management, safety consulting or safety regulatory agency experience

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Emery Hilll
