

Safety & Health Specialist Cover Letter

36360 Stark CentersNew Dexter, VT 45314-0026

Dear Lennon Schmidt,

I submit this application to express my sincere interest in the safety & health specialist position.

In my previous role, I was responsible for technical safety and engineering insight for the management of facility Process Safety Management (PSM) and OSHA systems and programs.

My experience is an excellent fit for the list of requirements in this job:

- Environmental experience in Connecticut, New York, New Jersey and Maryland
- Knowledge of federal and state safety, fire protection and OSHA laws
- Strongly prefer experience with web-based document management information software such as SharePoint
- Demonstrated knowledge of and experience with safety and health regulations
- High School or CED
- Experience with items listed under responsibilities
- Knowledge in warehousing and transportation (DOT regulations)
- Preferred CIH, CHMM or CSP certification

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Peyton D'Amore
