

Safety & Health Specialist Cover Letter

267 Yost PlaceLake Willetteburgh, HI 43570-9018

Dear Charlie Durgan,

I am excited to be applying for the position of safety & health specialist. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for leadership and active support to facility's behavior based safety process, Safety Culture Improvement initiatives, safety committee, and department safety committees and meetings.

Please consider my experience and qualifications for this position:

- IOSH/NEBOSH Certification is preferred
- Experience in a laboratory, clinic, pharma and/or healthcare setting is highly preferred
- Knowledge of EMEA EHS regulations, ICAO and other applicable regulations
- Knowledge of laboratory and hazardous waste regulations to include hazardous chemical/biohazard storage and disposal regulations
- Knowledge of air monitoring strategies
- Knowledge of ergonomics and how to conduct ergonomic evaluations
- Good judgement and business acumen
- Able to travel to other countries (including Belgium) to perform work as requested

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Campbell Beier
