

Sales District Manager Cover Letter

166 Cody Motorway East Jannie, AL 00648-0264

Dear Justice Hickie,

I submit this application to express my sincere interest in the sales district manager position.

Previously, I was responsible for input to demand management process (short and long term forecasts, industry trends, forecast assumptions, competitive positioning, etc.).

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Excellent oral and written communication in French and English language is a key requirement
- Fluent in German, English and Microsoft Office is mandatory
- Informs Agents of new products, changes in company policies, promotional programs, and new marketing ideas
- Experience in review of call accounting and sales reporting
- Prior automotive experience and knowledge of auto parts preferred
- Sales experience in Network Infrastructure, Security, Audio/Video, Power, Wireless, or related products and solutions
- Past sales experience in an automotive environment
- Experience in the coal, precious metals or basic metals industry preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Cameron Doyle
