Dear Jordan Morissette,

In response to your job posting for sales team lead, I am including this letter and my resume for your review.

In my previous role, I was responsible for insights and recommendations to in-country teams on how to improve their websites and use of social media channels.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- A proven track record in leading and mentoring a team of sales representatives in a sales environment - Marketing, Operations or Sales Development
- Fluency in English a requirement, additional European language an advantage but not essential
- Experience with CRM systems and other sales tools
- Proven experience of managing or leading a small sales team
- Strong abilities in performance management and productivity, especially involving sales calls
- Digital marketing/advertising experience
- Demonstrated record of attaining sales quotas
- Proficiency leading innovative, consultative sales teams

Thank you for your time and consideration.

Sincerely,

Morgan Mills
