

Sales Team Lead Cover Letter

9039 Carol Lights West Edyth, NJ 81538-8784

Dear Emerson Schumm,

I submit this application to express my sincere interest in the sales team lead position.

Previously, I was responsible for support for growing yours and your peers understanding of the media, data and ad technology ecosystem.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in handling escalations from both external clients and internal sales and support organizations within a contact center queue based environment
- High energy, passion, and a good sense of humor
- Prior supervisory experience leading a small to medium sized team
- In depth knowledge of the Pool Chemical Industry and products
- A passion for learning and innovative change
- Able to quickly adapt to new initiatives in a changing landscape
- Comfortable cold calling and interacting in sales environment
- Prior experience within SFDC and other CRM platforms

I really appreciate you taking the time to review my application for the position of sales team lead.

Sincerely,

Onyx Douglas
