

Salesforce Business Analyst Cover Letter

5622 Wisozk LakeRoweville, SD 79569-3805

Dear Sam Jenkins,

I would like to submit my application for the salesforce business analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for project-level analysis – producing required project analysis documentation (business requirements, scope matrix, agile stories, and use cases).

Please consider my qualifications and experience:

- Experience in working in fast-paced environment and juggling simultaneous projects
- BA/BS in Computer Science, MIS, Business or similar technical field
- Demonstrated experience delivering multi-month projects in Salesforce.com
- Demonstrated proficiency in configuration and functional setup of Salesforce.com, including roles, profiles, custom objects and fields, workflows, process builders
- Knowledge of data structures and sound data practices
- Knowledge of enterprise business processes across Sales, Marketing, Customer Service, Legal and/or Commissions
- Familiarity with SDLC practices including change control
- Initiative, engagement and a commitment to quality and customer service

Thank you for considering me to become a member of your team.

Sincerely,

Cameron Stiedemann
