

Salesforce Business Analyst Cover Letter

140 Leonel FortLake Shela, TN 39730-1927

Dear Blake Ratke,

I am excited to be applying for the position of salesforce business analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for guidance in project planning, actively participate in Agile Development Methodology, and provide business representation to the project.

Please consider my experience and qualifications for this position:

- Salesforce.com Certified Admin
- Excellent understanding of marketing, sales & ops related technologies and process
- Experience in supporting 24x7 mission critical applications
- Experience with sales processes - building out a sales pipeline, in a commercial business environment (B2B)
- Experience of Min 3 - 5 SFDC end to end implementations as Business Analyst
- Experience in implementing and running data governance initiatives is necessary
- Experience in business process mapping and translating the same to solutions
- Experience in leading requirement gathering session and writing process documents

Thank you for taking your time to review my application.

Sincerely,

Brooklyn Mante
