

Salesforce.com Developer Cover Letter

248 Luciano Village New Meaghan, GA 00979

Dear Riley Christiansen,

I submit this application to express my sincere interest in the salesforce.com developer position.

Previously, I was responsible for input and guidelines, standards, and mentoring to MuleSoft based application deployment and development architecture and integration strategy with accessible enterprise systems.

My experience is an excellent fit for the list of requirements in this job:

- Create and execute unit test cases to assure full testing coverage and requirements are met
- Knowledge of salesforce triggers and the order of execution
- Motivation to learn and grow with the team
- Strong technical skill and passion to deliver customer driven solutions
- Certified Salsesforce.com developer
- Extensive knowledge of Visualforce, SFDC APEX, SQL, XML, HTML, Eclipse, Java, Javascript
- Salesforce Platform developer certification 1 & 2 is highly preferred
- Experience working on a large scale enterprise wide project

I really appreciate you taking the time to review my application for the position of salesforce.com developer.

Sincerely,

Rory Ernser
