

Salesforce Project Manager Cover Letter

7913 Auer FallChristopherhaven, AR 58828

Dear River Frami,

Please consider me for the salesforce project manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for support for Platforms integrated and/or built on the Force.com platform, such as Zuora, Limio and Sage HR.

Please consider my qualifications and experience:

- Able to drive projects in a fast-paced process oriented environment
- Some progress toward formal, externally recognized project certification requirements
- Able to work from a home office and travel
- Demonstrate success with large full life-cycle Salesforce implementations including developing project timelines and track and reporting progress and staff management
- Experience developing solutions using Apex and VisualForce, preferred
- Experience in implementation projects using Agile methods and practices, preferred
- Able to discuss experience with Salesforce.com or similar Salesforce
- Basic Knowledge of implementation and configuration of enterprise systems such as Salesforce, SFA, or ERP

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Jordan Quitzon
