

# Salesforce Project Manager Cover Letter

8813 Thompson DrivePort Elizabeth, MI 41657

**Dear Bellamy Deckow,**

In response to your job posting for salesforce project manager, I am including this letter and my resume for your review.

In my previous role, I was responsible for on-going technical support for existing custom Apex code being used on the Force.com platform.

Please consider my experience and qualifications for this position:

- Experienced in complex BI/ MDM projects including architecture and data elements
- Experienced in Salesforce CRM architecture, configuration, customization and integration
- Obtain SFDC certifications (Administrator, Developer, and/or Architect certifications) is preferred
- Experience with complex BI/MDM projects including architecture and data elements
- Experience working with the life sciences industry is preferred
- Effective communicator at all levels of the organization (verbal, written and presentation)
- Self-motivated, eager to learn and grow
- The right to live and work in Singapore

**Thank you for considering me to become a member of your team.**

Sincerely,

Riley Miller
