

Salesforce Project Manager Cover Letter

1481 Wayne ValleyNorth Milissa, GA 55380-9593

Dear Story Murazik,

I submit this application to express my sincere interest in the salesforce project manager position.

Previously, I was responsible for technical support for existing custom APEX code being used on the Force.com platform.

Please consider my qualifications and experience:

- Fully focused in the achievement of business outcomes through adherence to best practice business disciplines
- Industry recognised Project Management certification (PMI, Prince 2 etc) is desirable but not essential
- Salesforce.com certification a distinct advantage
- Proficiency in both Waterfall and Agile project development methods
- Truly results focussed individual
- Effective budget control
- Strong understanding & experience with Service Cloud
- Strong understanding or experience with process definition methodologies

I really appreciate you taking the time to review my application for the position of salesforce project manager.

Sincerely,

Emerson Kuvalis
