

Sample Technician Cover Letter

7411 Shanika Pines Serita town, HI 39332-3771

Dear Jordan Considine,

I would like to submit my application for the sample technician opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical support to the assembly line in order to ensure timely resolution of production related supply issues.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with SEM cross section sample preparation
- Detail Oriented Multi Tasker Flexible with schedule
- Experience in a fast-paced environment will work is highly preferred
- Perform a range of basic routine sample orientated tasks including sample logging, sample preparation, sample disposal under supervision of a senior member of staff
- Scientific understanding of basic lab equipment preferred
- TWIC compliant
- Have a DES or relevant experience
- Be able to adapt to flexible schedules

I really appreciate you taking the time to review my application for the position of sample technician.

Sincerely,

Zion Price
