

# Sample Technician Cover Letter

297 Schumm Court New Juanfurt, MA 03424

**Dear Phoenix Kreiger,**

I submit this application to express my sincere interest in the sample technician position.

In my previous role, I was responsible for leadership, mentoring, and guidance to CY Program; ability to identify and respond to emergency situations; ability to develop curriculum outlines and lesson plans/guides; and the ability to communicate effectively in English, both orally and in writing, and possess strong interpersonal skills.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Background in animal science, pharmacology, biochemistry, chemistry
- Knowledge to apply good laboratory practices, follow safety procedures and other policies and procedures outlined by CAHFS, in the Equine Analytical Chemistry Laboratory and the University
- Verbal, written, and interpersonal communication skills to effectively interact with a wide variety of individuals, including coworkers, clients, and individuals from outside agencies
- Advanced knowledge of GMPs, HACCP and FDA regulations
- Knowledge of SAP/ADP
- Some education in a relevant field of study (Food Science, Microbiology)
- Experience in the food industry (Health/Supplement/Nutritional Food preferred)
- Previous experience in the construction industry preferred

**Thank you for taking your time to review my application.**

Sincerely,
