

SAP ABAP Developer Cover Letter

84779 Steven ForgesPort Gayla, NC 36099

Dear Parker Mraz,

I would like to submit my application for the SAP ABAP developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical hands-on administration for all SAP modules on both ABAP and Java application environments.

Please consider my experience and qualifications for this position:

- Should have very strong core ABAP experience, Web development area
- Experience of working in Agile methodology and tools would be an added advantage
- Key expertise in SAP Core ABAP which includes RICEF
- SAP ABAP exposure into Finance module and In-depth understanding in SAP ABAP Web Dynpro development
- Able to work well with IT teams and stakeholder in multiple locations by taking individual ownership on end to end deliverable
- Workflow, bug fixing, development of new requirements RICEFW components,e.g
- Demonstrates broad ABAP development knowledge
- Demonstrated planning and coordination skills with development initiatives

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Briar Koelpin
