

SAP ABAP Developer Cover Letter

30604 Roselee Trafficway West Archieland, WA 55774

Dear Blake Douglas,

Please consider me for the SAP ABAP developer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical development expertise including, but not limited to, ABAP, SAP PI/PO, SAP UI5, Netweaver, SAP Cloud Integration, and SAP Cloud Platform.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in CRM 7.0 development (Web UI, GenIL/BOL, Transaction Launcher) strongly preferred
- Experience in SAP Business Workflow strongly preferred
- Experience in WebDynpro development strongly preferred
- Experience in HANA Core Data Services development strongly preferred
- Experience with SAP NetWeaver JAVA IPC development strongly preferred
- Experience in SAP integration using Web Services / Web APIs strongly preferred
- Experience in SAPUI5/FIORI development strongly preferred
- Experience on classic SAP ABAP development, with OOP and WebDynpro background

Thank you for your time and consideration.

Sincerely,

Lennox Huels
