SAP APO Cover Letter

249 Boyer VistaProvidenciaview, NC 89987

Dear Gray Block,

I would like to submit my application for the SAP APO opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for support in correct SAP/APO article set up to allow for proper supply chain planning and execution activities.

My experience is an excellent fit for the list of requirements in this job:

- Conversant with Master data set up in APO (Product / locations/ T Lanes / resources / PDS) in general
- B.E / BTech – Mandatory (Chemical preferred)
- Within SNP experience should be in SNP Deployment functionality, SNP Heuristics and Optionally SNP TLB
- Support or Implementation Projects on SNP (Deployment, Heuristic)
- Should have done front ending with business on project (taking requirement, discussing SNP Deployment, Heuristic Run analysis)
- Quick in understanding & resolution of SNP Deployment run related issues – Fair-share, Push-Pull
- Basic Technical Knowhow of APO DP (Demand Planning) technical Setup – such as POS, Planning Areas, CVC and Planning Books
- Creating Functional Specifications (FS) for ABAP development(Reports / enhancement etc) and getting them implemented

I really appreciate you taking the time to review my application for the position of SAP APO.

Sincerely,

Ryan Mante
