Dear Dakota Walter,

I am excited to be applying for the position of SAP basis. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for first-level SAP Basis support to the SAP Functional Team, IT staff, and the end user community, including the handling of incident tickets, 24x7x365 emergency support, transport movements, and other day-to-day operational and project tasks for the SAP systems.

Please consider my experience and qualifications for this position:

- Escalate issues based on severity and impact, including coordination with vendors
- SAP Basis Administration
- Microsoft Windows operating system and database administration
- Innovative problem solving & analysis
- Knowledge of Oracle and / or other database administration
- Knowledge of system disaster recovery process
- SAP HANA/Administraion experience or certification preferred
- Experienced in AIX & Windows operating systems, Oracle/ MS SQL Server/DB2 databases and performing SAP & Database Upgrades

Thank you for your time and consideration.

Sincerely,

Skyler Gutkowski
