Please consider my experience and qualifications for this position:

- Good programming skills in normal ABAP
- Good programming skills in Native SQL
- Basic functional knowledge of SAP module
- Good understanding of Bex Query designer, RKF , CKF , Customer exit variables
- Knowledge on creating ABAP CDS views – Dimension, Text, Hierarchy, Cube and Query
- Strong IT background as a generalist
- Strong technical BI7 skills
- Strong ABAP programming skills for the BW environment

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Tatum Rogahn
