

# SAP Developer Cover Letter

770 Ruben Spurs Julianchester, MA 44352-4082

**Dear Rowan Weissnat,**

Please consider me for the SAP developer opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for expert advice to business users and IT project teams regarding ABAP programming and technical solutions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Prepared to challenge when business requirements seem conflicting
  - Drive/Determination and knowledge
- Key expertise in SAP BPM, BRM
- In-depth understanding in SAP Web Dynpro Java development
- Understanding of SAP UI5 - Preferred
- Key expertise in SAP CE, BPM, WebDynpro Java, MDM, NWDS & NWDI usage
- In-depth understanding in SAP WDJJava, BPM Development
- Interest in future trends in SAP technology such as MDG/HANA
- Key expertise in SAP BPM, BRM, SAP Web Dynpro Java development and CAF

**I really appreciate you taking the time to review my application for the position of SAP developer.**

Sincerely,

Dallas Hickie
