

SAP Expert Cover Letter

2373 Heaney CliffsNormandtown, OK 90926

Dear Blake Jacobson,

I submit this application to express my sincere interest in the SAP expert position.

In the previous role, I was responsible for subject matter expertise of current and future SAP functionality in one or multiple business processes for Finance Record-to-Report, Procure-to-Pay, and/or Budgeting.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Good knowledge in Accounting and Business Processes Operation
- Superior knowledge about database design and performance
- SQL and relational database skills are essential
- Experience in C/C++, database and/or ABAP programming
- Lead teams of people focusing on business outcomes through SAP technology
- Lead work to analyze and design new Order Management business processes enabled by SAP
- Identify and define detailed product requirements and process use cases
- Serve as a liaison to the business community and participate in user and task analysis to maintain the business community's perspective

Thank you for taking your time to review my application.

Sincerely,

Casey Daniel
