

SAP Expert Cover Letter

8829 Isabella KnollsRutherfordfurt, ID 77794

Dear Robin Blick,

I would like to submit my application for the SAP expert opening. Please accept this letter and the attached resume.

Previously, I was responsible for level 2 and 3 support for Finance related business processes and applicable IT solutions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with LMP complex assembly manufacturing solutions
- Knowledge of data migration, cleansing, and readiness, document information records (DIRs), and the computer aided process planning (CAPP) module
- Analytical mindset, initiative, independence systematic approach
- BS in Computer Science, Mechanical Engineering or equivalent experience
- Good understanding of production processes in discrete manufacturing
- Proven experience and good knowledge of SAP ME configuration
- Good knowledge in XSLT and MII programming would be an advantage
- Structured and organized with high ethics and willingness to travel both locally and international

Thank you for considering me to become a member of your team.

Sincerely,

Royal McKenzie
