

SAP Expert Cover Letter

44373 Murphy InletHickleburgh, RI 27438-4125

Dear Dylan Abbott,

I submit this application to express my sincere interest in the SAP expert position.

Previously, I was responsible for tier 3 support for the Accounting, Tax and Treasury business processes in SAP as well as supporting bolt-ons, software applications and interfaces.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous project experience around HANA administration & configuration
- Awareness of HANA Best Practices in relation to configuration, deployment, governance & development of native HANA artifacts
- Preferably previous experience with SAP applications such as BW, ECC or others
- Experience in PLM Configuration
- Experience in integrating SAP solutions across other DOD ERPs/SAP solutions, preferred
- At least 4 full project lifecycle implementations with Product Lifecycle Management (PLM) in the SAP Business Suite
- Experience in using SAP technical environment to including ABAP debugger, LSMW, SAP Query
- Experience working with integrations utilizing ALE, RFC, Web services, BAPIs, SAP PI and other interface technologies

Thank you for taking your time to review my application.

Sincerely,

Morgan Dicki
