

SAP HR Cover Letter

38431 Shawwna Flats Onitaburgh, MD 94263

Dear Robin Keebler,

I am excited to be applying for the position of SAP HR. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for back-up support for the payroll process in the absence of the Payroll Manager (complete payroll once a quarter to ensure payroll knowledge is still retained).

Please consider my experience and qualifications for this position:

- Overall understanding of HR-related processes and systems, including the technical aspects of application and system integration
- Extensive experience in Human Resources Modules
- Worked on BSP and WebDynpro Application for E-recruitment and other HR applications
- Good report writing such as Classical, Interactive, Custom and ALV
- Experience in HR ABAP and Workflow
- Integration expertise using SAP technologies such as UI5, Fiori, ABAP, Java, and WebDynpro
- Hands On experience in HR Testing and repairing the Test script, test documentation for Functional Specification
- Worked as Portal Administrator for creating iView for all sorts of applications

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Tatum Greenholt
