**Dear Lennox Lang,**

I submit this application to express my sincere interest in the SAP lead position.

In the previous role, I was responsible for functional and Technical support for the SAP HCM system maintenance and enhancements including integration to other systems.

Please consider my qualifications and experience:

- Solid understanding of SAP “Best Practices” regarding SAP BASIS and SAP industry templates
- Experience in systems project management implementation in multiple countries
- Prior experience in systems related experience in construction/engineering industry preferred
- Completed at least 3 cycles of SAP implementations
- Experience in implementing effective SAP program in a medium-high risk environment, the strategies involved and its implications
- Business acumen and experience supporting CIS-related business units and applications
- Experience working with SAP inventory management transactions
- Experience with SAP sales order functionality, including working knowledge of SAP delivery / pick / pack / goods issue

**Thank you for taking your time to review my application.**

Sincerely,

River Jones
