Dear Quinn Osinski,

Please consider me for the SAP MM opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for advice, guidance and support to the business user community and the cbFC project team related to SAP MM functionality, configuration and recognized best practices.

Please consider my qualifications and experience:

- Should have working knowledge of IDocs, application monitoring, understanding of third party interfaces with SAP
- Should have involved in root cause analysis and problem management
- Should also have knowledge of SAP SD - Orders, Deliveries, Shipments, Invoicing, Sales and settlements
- Flexible to work in shifts across APAC / EUROPE
- Proficient in identifying business, system, and operational implementation dependencies, developing plans to actively track and manage implementation dependencies, and evaluating business readiness and user training for transition to new system
- In-depth understanding in supply chain business processes in FMCG or retail industry
- Able to apply strong written and verbal communications skills to manage communication at all levels within the organization
- Willing to work in a team-working environment

Thank you for taking your time to review my application.

Sincerely,

Gray Lockman
