

SAP PP Cover Letter

9181 Hartmann ShoalsShaquanaville, TN 80164

Dear Azariah Botsford,

In response to your job posting for SAP PP, I am including this letter and my resume for your review.

Previously, I was responsible for support across the various components of the SAP Finance module, and its integration with the Sales and Distribution and Materials Management modules.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Extensive experience with the integration points between MM, QM and other modules including SD, MM, WM, IM
- Good knowledge of the SAP PP functionality
- Delivering SAP projects as a Production Planning consultant
- Experience in reporting tools such as Report Painter and Report Writer
- Process knowledge and in depth hands on experience implementing Variant Configuration
- Hands-on configuration and support experience with MM/PP and processes including requirement and source determination, vendor selection, comparison of quotations, PO, GR, INV processing, Goods movements, physical inventory, demand management, Make to order, make to stock, MRP and related concepts
- Integration with cross functional module like FI/CO, SD
- General understanding of main SAP functionalities and specially on Logistics modules, specially its impact on MM and CO

Thank you for your time and consideration.

Sincerely,
