

# SAP SCM Cover Letter

77609 Rippin Dam Hicklemouth, CO 23184

**Dear Charlie Marquardt,**

In response to your job posting for SAP SCM, I am including this letter and my resume for your review.

In the previous role, I was responsible for timely production support for SAP Human Capital Management and its integration points to ESS/MSS, Time systems, 3rd party vendors, and other SAP modules without disruptive to business processes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Will perform other tasks as deemed necessary by the manager in pursuit of Organizational
- Experience in multiple end-to-end implementations of SAP Extended Warehouse Management (EWM) on SCM platform
- Experience in leading Business blueprint sessions, requirement gathering, analysis and process mapping
- Hands-on configuration experience in SCM-EWM as well ECC to setup integration
- Experience in implementing RF enablement of transactions on Handheld devices
- Experience in Unit, Integration and User Acceptance testing with stakeholders Third party providers
- Strong business facing experience in a SAP SC&M Support / Project role
- Expertise/strong working knowledge across the following SAP modules - MM, LE(including WM), PP, QM

**I really appreciate you taking the time to review my application for the position of SAP SCM.**
