

SAP SCM Cover Letter

185 Jacqueline FieldKirstenchester, AZ 45087-7040

Dear Baylor Leuschke,

Please consider me for the SAP SCM opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for advice in areas of SAP warehouse management and its integration to sales and procurement processes.

Please consider my experience and qualifications for this position:

- Designed and implemented complex SC&M solutions with integrations with other SAP modules like FI-CO/SD and external systems
- Exposure to FI or/and other SAP modules integration
- APO integration with ECC and BW
- Strong knowledge of ABAP, IDOC, CIF
- Experience of large SAP ERP global rollouts including full lifecycle implementations
- Knowledge, and preferably, hands on experience of new SAP technologies such as S4,IBP and new APO capabilities
- Minimum of 2 end-to-end implementations, including functional design, solution architecture and estimation
- Expertise in various processes of EWM such Inbound cycle, Outbound cycle, Physical Inventory, Consolidation/Deconsolidation, Handling Unit, VAS, Wave management et Hands-on configuration experience in SCM-EWM as well ECC to setup integration

Thank you for considering me to become a member of your team.

Sincerely,

Briar Hoeger
