

SAP SD Consultant Cover Letter

5707 Larkin ForksJanfort, WY 12829

Dear Casey Gleichner,

I would like to submit my application for the SAP SD consultant opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for business analysis and process redesign expertise in Sales & Distribution (SD) + Vistex functional areas within the enterprise specifically in the analysis, and redesign, of SAP functions and processes.

Please consider my qualifications and experience:

- Experience with Mexico specific business processes, Maquiladora and Electronic Invoicing
- Experience in EDI messages (ANSI norm), to support transfer to Crossway / participate to the tests - (35 EDI messages implemented)
- Abstract thinking and problem solving skills
- Senior SAP SD Consultant will lead/participate in the Blueprint phase of the project for the Sales and Distribution business functions including business analysis, solutions, design, configuration
- Extended multi-project experience with Sales Scheduling Agreements, Sales Orders, Outbound Deliveries, Pricing and Customer returns
- Principal SAP SD/OTC Consultant will lead, participate and mentor colleagues in the Blueprint phase of the project for the Sales and Distribution business functions including business analysis, solutions, design, configuration
- Strong in general SD configuration
- Good strategic business and technology skills

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
