

SAP SD Consultant Cover Letter

150 Wm TrackNorth Bernie, RI 97308-8121

Dear Peyton Schumm,

I submit this application to express my sincere interest in the SAP SD consultant position.

In my previous role, I was responsible for expertise in SAP areas of Sales Distribution, Logistics Execution, Customer Service, Warranty Management and integration with other third-party tools deployed in Johnson Controls to support the OTC business processes.

Please consider my experience and qualifications for this position:

- Participation in SAP RFP preparation
- SAP projects delivery as Sales and Distribution consultant or senior consultant
- Good knowledge of SAP SD functionality
- Knowledge of LO-LE processes (outbound/inbound deliveries processing, master data, batch, handling unit management)
- Experience in preparation of RFP (request for proposal), technical requirements with detailed technical description for SAP SD implementation
- Experience in business process modelling
- Good understanding of integration with FI, CO, PS
- Open to work in extended working hours if project demands

Thank you for taking your time to review my application.

Sincerely,

Indigo Thompson
