

SAP SD Consultant Cover Letter

946 Vernon RoadFabiolabury, IL 78959-6901

Dear Zion Hagenes,

I would like to submit my application for the SAP SD consultant opening. Please accept this letter and the attached resume.

Previously, I was responsible for strong support in working package Fulfillment jointly with peers, to realize and support for the SAP system for Parts Logistics processes in China.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Understanding of integration with FI, CO, PS
- Defining user requirements
- Estimating / prioritizing / planning user requirements
- Design the solution with intent to continually deliver value to customer
- Test and deploy the solution
- Deliver process improvements
- Expertise in logistics functional module (SD) with good understanding of integration between various modules (SD, PS, FICO)
- Expertise in working on complex environment with integration to multiple systems

Thank you for considering me to become a member of your team.

Sincerely,

Sam Torphy
