

SAP SD Cover Letter

508 Tillman Turnpike
Port Arnulfochester, AK 90214

Dear Baylor Johnson,

Please consider me for the SAP SD opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for sAP configuration expertise for all SD related functionality to support Order to Cash business process; master data, ATP, pricing, taxes, scheduling agreements, sales contracts, sales orders and quotes, deliveries, billing documents and interfaces.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Extensive experince in implementing pricing and sales commissions functionality
- Hands-on configuration and minor changes implementation
- Working experience with configuration and customization of SAP EDI solutions for quote to cash processes
- Strong technical (debugging ABAP), analytical and problem solving skills to identify root cause for effective issue resolution
- Excellent presentation and communication skills and a very
- Should have done delivery audits with a view to assess
- English fluency and willing to travel
- Capacity to analyze complex business problems to be solved within SAP

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Oakley Fadel
