I would like to submit my application for the SAP security analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for detailed solution insight and efficient implementation support in the SAP PPM / PS / CPM modules.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge on HR structural authorizations and SAP BI analysis authorization concept
- SAP Security Training Courses & Certifications preferable
- Preferably in a large fast-paced business environment
- Extensive experience with SAP authorizations in with SAP authorizations in SAP ERP
- SAP CRM and SAP BW is mandatory
- Experience with SAP authorizations in SAP HANA, SAP Fiori and SAP Business Objects is most preferable
- Experience with SAP authorizations in SAP HCM, SAP MDG, SAP NetWeaver Portal and SAP ME/MII is preferable
- Proven experience with the design and implementation of an entirely new SAP role concept in a global organization

Thank you for your time and consideration.

Sincerely,

Oakley Fay
