

# Satellite Technician Cover Letter

7079 Parisian Drive Treuthton, NC 69854

**Dear Ryan Bogisich,**

I would like to submit my application for the satellite technician opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for their own hand tools including, but not limited to: wrenches, screwdrivers, pliers, inspection cameras, etc.

Please consider my qualifications and experience:

- Knowledge of RF fundamentals and signal processing systems
- Knowledge of fiber optics, including installation, testing, and transceiver operation or troubleshooting
- Possession of commercial driver's license to support cross-country requirements to deliver systems to other vendors or test ranges
- Advanced level vendor certifications
- Knowledge of the principles, methods, and techniques used in network troubleshooting and support
- Experience with current principles, practices, technologies and products for network design, installation, management and support
- Fiber optic cable, single-mode and multi-mode
- Wall jacks

**Thank you for your time and consideration.**

Sincerely,

Peyton Paucek
