

School Counselor Cover Letter

2472 Russ PassJacquetown, MA 05065

Dear Greer Green,

In response to your job posting for school counselor, I am including this letter and my resume for your review.

In my previous role, I was responsible for academic, personal, career guidance and advising to assigned students; and shares in the management responsibilities for the general academic advising provided for Honors College students.

Please consider my experience and qualifications for this position:

- Training in life crisis intervention strategies such as TCI, LSI or similar problem solving models preferred
- Demonstrated experience working in a school setting
- Valid FL license in Social Work, Mental Health Counseling, or Family Therapy strongly preferred
- Current PPD orChest X-Ray (as applicable per state/client requirement)
- South Carolina certification in School Counseling
- Accurately and appropriately interpret and utilize student data
- Collaborate with parents/guardians and educators to assist students with education, career, and life planning
- Provide individual and group counseling to students with identified concerns and needs

I really appreciate you taking the time to review my application for the position of school counselor.

Sincerely,

Casey Kemmer
