

Security Account Manager Cover Letter

9476 Toy HavenRunolfsdottirberg, AK 72703-3291

Dear Azariah Fisher,

In response to your job posting for security account manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for education to end users and monitor and administer security mechanisms that provide access control and user account management.

Please consider my experience and qualifications for this position:

- Exercises governance and management oversight of all DXC leveraged security and compliance services
- Develops and promulgates account security and compliance policies and procedures to all DX personnel supporting the account subcontractor personnel and suppliers
- Perform Gap Analysis between DXC Security Policies and customer Security Policies that relate to the in-scope services to be provided by DXC
- Intimate knowledge of the territory, in particular, fortune 500 accounts
- Proven enterprise software executive sales experience
- Enterprise software executive sales experience
- Intimate knowledge of the territory, in particular, UK central government / public sector accounts
- Demonstrates planning, organizational and project management skills

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Brooklyn Dietrich
